

KDSCREEN PREMIUM WASH

Technical Data Sheet

Description

Premium, low odour Screen Wash containing emulsifying agents.

Low evaporation minimises volatiles in the work area and reduces consumption.

Available in 5, 25 & 210 litre units.

Use

For removal of ink prior to screen reclaiming.

Application

Apply to both sides of the mesh using a brush until the ink has dissolved. Note, if applied to thicker ink layers leave on for a few minutes to help the removal of ink.

After dissolving ink residues both ink and solvent can be removed using water.

Initially rinse chemicals off screen using mains water and then use high pressure.

Shelf Life/Storage

Min. 2 years, when stored at 0-30°C.

In the interest of health and safety always wear appropriate protective clothing.

In the interest of health and safety always wear appropriate protective clothing.

Read Safety Data Sheet for full protection information.
